

Emerald Ash Borer (EAB) – Targeted Backyard Tree Planting and Outreach Program

Our program includes:

1) Education and outreach program to help residents understand the issue and their options for their ash trees

- Public information sessions to be held in Scarborough in May
- Information about EAB and our program included in Councillors' newsletters and on their websites
- EAB resource section on LEAF's website

2) Help Toronto homeowners plant 600 trees on private property through our Backyard Tree Planting Program

- \$150-220 per tree (shrubs and garden kits also available)
- Includes 30-minute on-site consultation with an arborist
- Identify ash trees on or near property and provide information about options for treatment, removal, and replacement
- Full planting service included

3) **Mentor volunteers who wish to become community leaders to spread the word about EAB in their neighbourhoods**

- Training sessions to be offered in May/June for interested volunteers
- Resources will be provided to community leaders to assist them in speaking with neighbours about EAB and their options for treatment, removal and replanting
- On-going support and follow-up will be provided
