At the event, City staff will be available to discuss their findings and present key policy directions prior to the final preparation of a Secondary Plan.

This Open House is an important step prior to staff's presentation of the Secondary Plan for Council's consideration targeted for early 2013 – your attendance and following feedback is strongly encouraged.

Prior to the event, the consultant reports will continue to be posted on the City's Mimico 20/20 homepage: <http://www.toronto.ca/planning/mimico2020.htm>
