GUEST SPEAKER

Lauren Archer—*Preservation Officer*

This is a community presentation that HPS makes when a group is interested in nominating an area for a Heritage Conservation District (HCD) Study.

It usually consists of an overview of what an HCD is, why we designate HCDs, the HCD Nomination and Study process, HCD FAQs and common misconceptions, and the results of HCD designation, with examples from other communities in Toronto.

Lakeshore has about twice the number of listed heritage buildings than other areas in Etobicoke. Come to the meeting to learn how we may create Heritage Conservation Districts in our neighbourhoods in Long Branch, New Toronto and Mimico.

Other topics we hope to cover in addition to **Heritage** are **Hospitality** and **Transit**.

All are welcome!
