Dear Classmates,

Welcome to first group communications from the reunion committee. If you are receiving this, then you are listed on our database.

This list indicates that you have interest in attending or having information about the planned event next year in Toronto.

Please note that if you asked us to not share any of your info or specific parts of it, we will not do so.

For this to be a great success, we do need your help and cooperation. Please contact any former classmates you can and have them email either Howard Hight [hahight@gmail.com](mailto:hahight@gmail.com) or Diana Redden [retiredredden@telus.net](mailto:retiredredden@telus.net) to get on the data base list.

Everyone who attended MCHS at any time during the 60s is most welcome to join us in this celebration of our shared experiences. We all share the commonality of having passed through those special halls.

We all share the commonality of being children of the sixties. Now the clarion call goes out asking you to join us for a special night of reconnecting.

We all had this institution as one of the launching pads of our adolescence. 40 or 50 years ago we dispersed from our shared path to follow our hopes and dreams. Now our paths can cross again, as we breach the horizon of our journey to ensure ourselves that our classmates are OK.

If so inclined, we will share the good and the not so good,. We will laugh and cry. Most of all old friendships will be rekindled.

In the next week or so, we will all get an update on the arrangements and plans.

**We hope to see you all in Toronto next Oct. 17<sup>th</sup> 2015.**
