"A great place for our reunion.....like us it may be aging but still has elegance, style and lots of character"

Can you think of a nicer place for old friends to sit and reminisce?

A quiet stroll with folks you're so happy to see and are doing just fine. They take joy in your peace of mind.

Perhaps on the Friday before the reunion, or Sunday before leaving town, a great place for that special meal with those extra special friends?
