

Long Branch Historical Society

Capital improvements projects at Marie Curtis Park

**Tues., May 15, 2012, 6:30 pm
Long Branch Library,
3500 Lake Shore Blvd. West**

We are pleased to let you know that, at our next meeting, **Peter Didiano** and **Lori Ellis** will describe capital improvements currently under way at **Marie Curtis Park**.

Peter Didiano is supervisor, capital projects, Parks, Forestry and Recreation, City of Toronto. Lori Ellis is a landscape architect working for Parks, Forestry and Recreation who's also been involved in the park improvements including the new stone overlook.
