RE: Hiring Practices Regulation

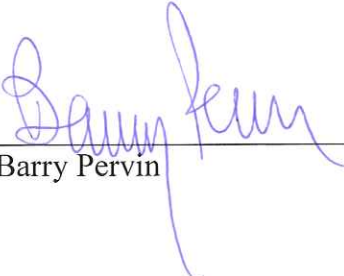

Attached for your information is O. Regulation 274/12 entitled *Hiring Practices* which comes into effect immediately. This regulation is pursuant to the *Putting Students First Act, 2012* which received Royal Assent on September 11, 2012.

The focus of the regulation is to provide a minimum standard of transparency and fairness in the hiring process for occasional teachers (OTs) who wish to pursue Long Term Occasional (LTO) or permanent positions in their boards. Key elements are that boards are now required to ensure that their:

- OT rosters are organized according to seniority (of time on the roster)
- OTs will have first consideration for LTO positions (per Regulation 298 requirements and Collective Agreement processes)
- LTOs will have first consideration for permanent positions (per Regulation 298 requirements and Collective Agreement processes).

Also attached for your information is a *Principals Want to Know* tip sheet to assist with implementation of the new regulation.

More information to help support and facilitate the implementation of this regulation will be provided at an upcoming technical briefing.
