Dear Classmate,

Some of you asked for an up-to-date list of all registered grads and those who at this point in time will definitely be attending. So here we have it.

Please note a number have already committed their money. We hope you will join us. One classmate has taken on the financial responsibility of guaranteeing the down payment on this event. He did this because he cares and hopes a number of you will step up and attend this event. Your commitment is crucial.

It has been a long journey for all of us. Now this may be the last opportunity for us to see that we are alright. If this means anything at all to you, your cheque will go a long way to ensure we can all touch base again.

A small number of people have put in a lot of time and effort to get this going. We wanted a evening in a really nice place, where we can embrace old friends and acquaintances. Great food and music are promised. The good fellowship we are trying to rekindle will only happen if you attend.
