**The Malcolm Campbell Reunion & Celebration of the 60s  
will take place at the Old Mill, Toronto  
October 17, 2015**

Dear MCHS grad:

The time is flying by, the summer's almost here, and the great MCHS reunion is just a few months away. We want YOU to be a part of this very special night and so we're encouraging you to sign up now. It's been a few years since we were in high school – well, make it more like 50 - but the memories will come flooding back when you attend this momentous occasion.

This is your chance to reconnect with former classmates and compare notes on how the years have treated you both. You may see members from your old soccer team, re-harmonize with friends from the Glee Club, or even reconnect with your date from prom night. Do you remember the song your class practiced for hours for the Montreal Class Choir competition? How about those semi-formal school dances when we got all dolled up? Do you remember doing the twist or swaying to the “slow” dances? Well, you can do it all again on October 17<sup>th</sup>! It's your chance to see old friends, relive precious memories, and maybe even shed a few tears.

The organizing committee has been carefully planning this event for over a year and it promises to be a blast! They've worked hard to make it the best

reunion ever and look forward to welcoming YOU! Sign up now. Included in the price of your ticket is a gourmet dinner and the opportunity show your moves on the dance floor. Anyone remember how to do the “locomotion” or the “mashed potatoes”?

***Please sign up NOW. Here's the information about how to register and where to send your cheque:***

***Grads = \$150.00                      Grad + spouse/partner/friend = \$250.00***

***Send cheque to:            Diana Redden, 4487 – 222A Street, Langley, B.C., V2Z 1B2***

**Christmas is coming** (a poem dedicated to a former MCHS teacher)

Christmas is coming, tuck in your shirt-tail quick!

Take off that coloured sweater cause he sure ain't old St Nick

Straighten up your tie and smooth your tunic skirt

Pull up your socks and comb your hair, make sure you're looking pert

Stand straight and be respectful as he slowly saunters by

As he can spy a wardrobe malfunction in the proverbial blink of an eye

And then you're on the carpet, getting blamed for being lax

About school rules and dress codes, he'll chastise you to the max

And after this dressing down, you'll sheepishly slink away

To join many others in the detention room – Oy vey!

So, if you see Christmas coming, look smart and wear a smile

He may pass without a glance and you can breathe easier for a while.
