## Jane's Walk

**Spaghetti Junction - The Farewell Tour**

**Saturday, May 2, 2015**

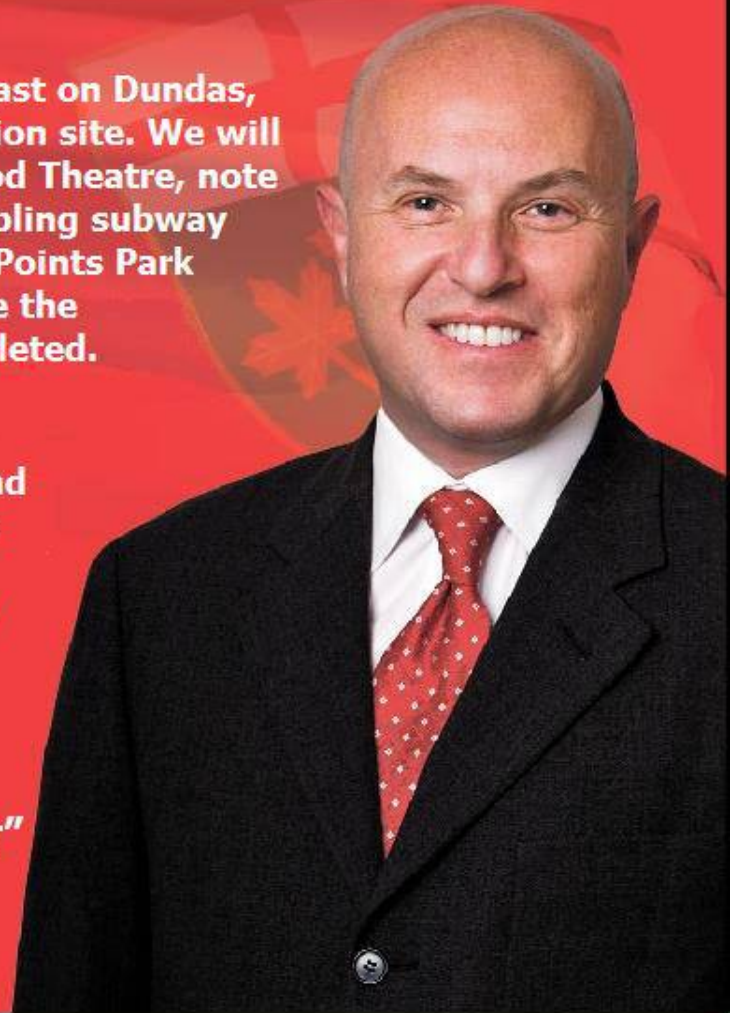

**10:30 am - 12 noon**

**Meet at the Starbucks at 5251 Dundas Street West**

From Starbucks, Peter will lead us east on Dundas, stopping for a view of the construction site. We will traverse the site of the old Westwood Theatre, note the location of a new entrance to Kipling subway station, and then travel west to Six Points Park which will nearly double in size once the interchange reconfiguration is completed.

Join Peter on this walk to understand the transformation of the Six Points Interchange from a 1960s style interchange to a pedestrian friendly neighbourhood at the heart of the Etobicoke City Centre.

**Join us for this "Farewell Tour"  
of Spaghetti Junction!**
