

Peter MILCZYN

Member of Provincial Parliament – Etobicoke-Lakeshore

Invites you to his **Jane's Walk** Evolution of Long Branch Park (Starting 1884)

Saturday, May 5, 2018 • 10:30 am – 12 noon

Meet at the southwest corner of Long Branch Ave.
and Lake Shore Blvd. West

Starting at Lake Shore, Peter will lead us south along Long Branch Ave. toward the Lake Ontario shoreline. We will traverse the site of Long Branch Park, serving summer visitors arriving by boat from Toronto starting in 1884. Along the way, we will pass by many heritage houses from a previous horse-and-buggy era, and will encounter the neighbourhood's constantly evolving built form.

Join Peter on this walk to understand the transformation of this late-1800s Cottage Country summer resort to a pedestrian friendly neighbourhood at the heart of the Village of Long Branch.
